AND THE PUBLIC PROSECUTORS LISTED ON THE DISTRIBUTION LIST ACCOMPANYING THE ATTACHED CERTIFICATE OF SERVICE

Re: Violations of Proposition 65 concerning (1) everlite<sup>TM</sup> solar LED spotlight accessory 12 VDC Converter for Cell Phones; (2) everlite<sup>TM</sup> solar LED spotlight accessory 5 VDC Convertor with Plug Kit and 6-foot cord; (3) everlite<sup>TM</sup> solar LED spotlight accessory 12 VDC Charger for LED Lamp with 6-foot cord

Dear Messrs. Stevens and Mead, and to whom else this may concern:

Consumer Advocacy Group, Inc. ("CAG"), the noticing entity, serves this Notice of Violation ("Notice") on BTU Services, Inc. and Adventure 16, Inc. (collectively "Violators") pursuant to and in compliance with Proposition 65. Violators may contact CAG concerning this Notice through its designated person within the entity, its attorney, Reuben Yeroushalmi, Esq., 3700 Wilshire Boulevard, Suite 480, Los Angeles, CA 90010, telephone no. (213) 382-3183, facsimile no. (213) 382-3430. This Notice satisfies a prerequisite for CAG to commence an action against Violators in any Superior Court of California to enforce Proposition 65. The violations addressed by this Notice occurred at numerous locations in each county in California as reflected in the district attorney addresses listed in the attached distribution list. CAG is serving this Notice upon each person or entity responsible for the alleged violations, the California Attorney General, the district attorney for each county where alleged violations occurred, and the City Attorney for each city with a population (according to the most recent decennial census) of over 750,000 located within counties where the alleged violations occurred.

- CAG is a registered corporation based in California. CAG is a nonprofit entity dedicated to protecting the environment, improving human health, and supporting environmentally sound practices. By sending this Notice, CAG is acting "in the public interest" pursuant to Proposition 65.
- This Notice concerns violations of the warning prong of Proposition 65, which states that "[n]o person in the course of doing business shall knowingly and intentionally expose any individual to a chemical known to the state to cause cancer or reproductive toxicity without first giving clear and reasonable warning to such individual . . ." Cal. Health & Safety Code § 25249.6.
- (1) everlite<sup>™</sup> solar LED spotlight accessory 12 VDC Converter for Cell Phones; (2) everlite<sup>™</sup> solar LED spotlight accessory 5 VDC Convertor with Plug Kit and 6-foot cord; (3) everlite<sup>™</sup> solar LED spotlight accessory 12 VDC Charger for LED Lamp with 6-foot cord contain lead, which is

California; and (b) employers with less than ten (10) employees. The approval also provides that an employer may use any means of compliance in the general hazard communication requirements to comply with Proposition 65. It also requires that supplemental enforcement be subject to the supervision of the California Occupational Safety and Health Administration. Accordingly, any settlement, civil complaint, or substantive court orders in this matter must be submitted to the California Attorney General.

These violations occurred each day between March 8, 2007, and March 8, 2010, and are ever continuing thereafter.

The principal routes of exposure were through dermal contact, ingestion, and inhalation. Persons sustain exposures by handling the 12 VDC Convertor, 5 VDC Convertor and 12 VDC Charger without wearing gloves or by touching bare skin or mucous membranes with gloves after handling Belt, as well as hand to mouth contact, hand to mucous membrane, or breathing in particulate matter emanating from the 12 VDC Convertor, 5 VDC Convertor and 12 VDC Charger during application and installation, as well as through environmental mediums that carry the lead and lead compounds once contained within the 12 VDC Convertor, 5 VDC Convertor and 12 VDC Charger.

Proposition 65 requires that notice of intent to sue be given to the violator(s) sixty (60) days before the suit is filed. Cal. Health & Safety Code § 252549.7(d)(1). With this letter, CAG gives notice of the alleged violations to Violator and the appropriate governmental authorities. In absence of any action by the appropriate governmental authorities within sixty (60) calendar days of the sending of this notice (plus ten (10) calendar days because the place of address is within the United States but beyond the State of California), CAG may file suit. See Cal. Code Civ. Proc. § 1013; Cal. Health & Safety Code § 25249.7(d)(1); and Cal. Code Regs. tit. 27, § 25903(d)(1). CAG is ready and willing to discuss the possibility of resolving its grievances in the public interest short of formal litigation.

known to the State of California to cause both cancer and reproductive toxicity, developmental, female, male. On February 27, 1987, the Governor of California added lead to the list of chemicals known to the State to cause reproductive toxicity, developmental, female, male, and on October 1, 1992, the Governor added lead and lead components to the list of chemicals known to the State to cause cancer. Both additions took place more than twenty (20) months before CAG served this Notice.

• This Notice addresses consumer products exposures. A "[c]onsumer products exposure' is an exposure which results from a person's acquisition, purchase, storage, consumption, or other reasonably foreseeable use of a consumer good, or any exposure that results from receiving a consumer service." Cal. Code Regs. tit. 27, § 25602(b).

Violators caused consumer product exposures in violation of Proposition 65 by producing or making available for distribution or sale in California to consumers (1) everlite<sup>TM</sup> solar LED spotlight accessory 12 VDC Converter for Cell Phones (hereinafter "12 VDC Convertor"); (2) everlite™ solar LED spotlight accessory 5 VDC Convertor with Plug Kit and 6-foot cord (hereinafter "5 VDC Convertor"); (3) everlite<sup>TM</sup> solar LED spotlight accessory 12 VDC Charger for LED Lamp with 6-foot cord (hereinafter "12 VDC Charger"). The packaging for the 12 VDC Convertor, 5 VDC Convertor and 12 VDC Charger (meaning any label or other written, printed or graphic matter affixed to or accompanying the product or its container or wrapper) contain no Proposition 65-complaint warning. Nor did Violator, with regard to 12 VDC Convertor, 5 VDC Convertor and 12 VDC Charger, provide a system of signs, public advertising identifying the system and toll-free information services, or any other system, which provided clear and reasonable warnings. Nor did Violator, with regard to the **Belt**, provide identification of the product at retail outlets in a manner that provided a warning through shelf labeling, signs, menus, or a combination thereof. The 12 VDC Convertor is designed for personal use to recharge or operate a cellular telephone, the 5 VDC Convertor is designed for personal use to recharge or operate a hand-held electronic device and the 12 VDC Charger is designed for personal use to charge a EverLite™ portable lamp where there is no sunlight.

• This Notice also concerns occupational exposures. An "[o]ccupational exposure' means an exposure to any employee in his or her employer's workplace." Cal. Code Regs. tit. 27, § 25602(f).

Violator, BTU Services, Inc., caused occupational exposures in violation of Proposition 65 by allowing employees to handle the 12 VDC Convertor, 5 VDC Convertor and 12 VDC Charger, within the course of packaging, distributing, promoting, and selling the 12 VDC Convertor, 5 VDC Convertor and 12 VDC Charger, without having first given clear and reasonable warnings to such employees that by handling the 12 VDC Convertor, 5 VDC Convertor and 12 VDC Charger such employees would suffer exposures to lead and lead compounds. BTU Services, Inc.'s employees were exposed to lead by touching the 12 VDC Convertor, 5 VDC Convertor and 12 VDC Charger with their bare skin at BTU Services, Inc.'s premises located at 147 Searidge Court, Shell Beach, CA 93449, among other locations where these activities take place including but not limited to BTU Services, Inc.'s other warehouses, distribution centers and retail outlets. BTU Services, Inc. did not provide any Proposition 65-compliant warnings on either the product or any substance present or any sign or system of signs within the workplace.

This notice alleges the violation of Proposition 65 with respect to occupational exposures governed by the California State Plan for Occupational Safety and Health. The State Plan incorporates the provisions of Proposition 65, as approved by Federal OSHA on June 6, 1997.

This approval specifically placed certain conditions with regard to occupational exposures on Proposition 65, including that it does not apply to (a) the conduct of manufacturers occurring outside the State of

(1) everlite<sup>™</sup> solar LED spotlight accessory 12 VDC Converter for Cell Phones; (2) everlite<sup>™</sup> solar LED spotlight accessory 5 VDC Convertor with Plug Kit and 6-foot cord; (3) everlite<sup>™</sup> solar LED spotlight accessory 12 VDC Charger for LED Lamp with 6-foot cord
